

**THE MEATRIX 2: REVOLTING**  
**English Script**  
**Reformatted May 2007**

*We see Moopheus and Leo within a bank of computer monitors. On the screens we see a man at a meat counter, pointing to meat that says "Grass Fed". Next, a person buying eggs with "Pasture Raised" on the carton. Next, a mother and child buying milk that says "Organic". "10 Million Minds Freed" is displayed on one of the screens.*

**MOOPHEUS**

In the past 2 years we've freed over 10 million minds from The Meatrix. People are waking up to where their food comes from and are starting to buy healthier, sustainable animal products. You've done well Leo.

**CHICKITY**

You are the one.

**LEO**

Chickity!

**MOOPHEUS**

Ahem. There are many facets of The Meatrix yet to be exposed. Come on, we're going in.

*They go over to their 'jack in' chairs, LEO squeezes his eyes shut and suddenly is standing amid a happy dairy farm scene.*

**LEO**

Whoa! This place is great!

**MOOPHEUS**

Leo!

**LEO**

I love what they've done with the pasture.

**MOOPHEUS**

Leo!

**LEO**

I wonder if they have room for any pigs?

**MOOPHEUS**

Leo!

**LEO**

What?

**MOOPHEUS**

Look through the illusion of The Meatrix. This is the way most dairy farms used to be. See what's really here...

*The scene before him suddenly 'dissolves' into the 'matrix code lines'. The milkmaid becomes a milking machine, and the surroundings have become a modern dairy factory, with rows and rows of cows.*

**LEO**

Woooahhhh!

**MOOPHEUS**

This is a modern day dairy factory; it can't be called a farm. Most of our milk and cheese come from places like this.

*We see the modern farm scene as MOOPHEUS speaks: a milking parlor, a free stall barn, the dry lot with many cows crammed, flies, a manure mound in the dry lot, dead cows lying in the mud - no grass, no water, no shade. A manure lagoon is behind it, manure guns blasting liquid manure.*

*MOOPHEUS shows LEO and CHICKITY where the cows are kept in stalls, many look very sickly, a few can't even stand.*

**MOOPHEUS**

Most cows spend their entire lives between here and the milking parlor. These unhealthy conditions often make them sick, despite daily antibiotics. Their tails are cut off to...

Get down!

*MOOPHEUS and CHICKITY quickly scramble for cover behind a metal rail in the back, so as to observe undetected. AGRI-CORP AGENTS get out of the van and open briefcases filled with huge syringes labeled 'rBGH', and begin injecting the cows on their backside. We see the cows udders grow large and pulsate. LEO grows angrier and angrier as MOOPHEUS explains the scene.*

**MOOPHEUS** *(over scene above)*

These are agents of The Meatrix. They're pumping these poor animals with rBGH, an artificial growth hormone that Canada and the European Union have both banned.

**CHICKITY**

And what's that?

*We see calves being fed from a giant mechanical udder.*

**MOOPHEUS**

The calves are separated from their mothers at birth. They're being fed milk replacer that's made in part from cow's blood.

*We see the milk tubes the calves are drinking from go red with blood.*

**LEO**

You don't mean...

**MOOPHEUS**

Yes, Leo. The dead are fed back to the living. Mad cow disease can be spread by this unnatural profit-driven practice.

**LEO**

That does it!

*LEO jumps and spins in the air, but when he lands, he steps on a rake, knocking him off screen with a crash.*

**CHICKITY**

(to MOOPHEUS) Are you sure he's the one?

**AGENT**

(to LEO) So nice of you to join us Mr. Ham-derson.

**LEO**

My name is Leo!!!!

*LEO rushes towards the AGENTS and fights them Kung-fu style. As LEO kicks and punches, he says...*

This is for small family farmers!

*(whack!)*

This is for the fake hormones!

*(punch!)*

And this is for the cows!

*(kick!)*

*LEO gives the Kung Fu beckon with his hoof. AGENTS continue to attack. We see an AGENT gather up handfuls of syringes and throw them all at once at him!*

**LEO**

No.

*LEO raises his hoof to stop the needles in mid-flight and fall harmlessly to the ground.*

**CHICKITY**

You *are* the one!

*LEO and CHICKITY reach for each others 'hands', when suddenly they hear a loud "Mooo" and see MOOPHEUS being taken hostage. MOOPHEUS struggles while being dragged into the AGRI-CORP van.*

**MOOPHEUS**

Forget about me! Stop the dairy factories!

*The AGRI-CORP van door slams and it speeds away with MOOPHEUS. LEO freaks out and squeals.*

**LEO**

They've got Moopheus! They put him in the truck?!! They're driving away?!! Where are they going?!! They've got him?!! What do we do?!! Who am I?

**CHICKITY**

*(slapping LEO)* Leo!

**LEO**

We've got to rescue Moopheus!

**CHICKITY**

But you heard what he said! We've got to shut these factories down.

*LEO thinks for a few seconds.*

**LEO**

I've got it!

*They both turn toward the viewer.*

**LEO**

We'll rescue Moopheus, if YOU help us stop these dairy factories! There are still small family farms where you can get your dairy. By supporting them, you'll help end The Meatrix.

*He places a red "TAKE ACTION" button on the screen. CHICKITY is on a motorcycle behind LEO.*

**CHICKITY**

Come on Leo!

*LEO puts on his sunglasses and hops on the back. They race off toward the city in the distance.*
